PROJECTS

Minh Hoi Media - Wedding Photo Studio Website | HTML, JavaScript, CSS, Vercel

Live: minhoimedia.digital | Freelance project

- Built and deployed a marketing website for a wedding photography studio, showcasing portfolios and packages to prospective clients.
- Delivered a responsive, static front end hosted on Vercel as an independent freelance engagement.

HWJ - Jewelry E-Commerce Platform | React, Express, Node.js, MongoDB, TailwindCSS

Academic project - Web Programming 2 module | Deployed on Vercel (frontend) and Render (backend)

- Built a full-stack jewelry storefront with a React front end and an Express/Node.js/MongoDB backend, following the MVC design pattern.
- Implemented OAuth-based authentication and a fully responsive UI with TailwindCSS.

Chanh Toa FAQ - Parish Youth Ministry Website | Next.js, React, TypeScript, Firebase

Live: chanhtoa.tnttgiaophanmytho.online | Source: github.com/HuynhDutruong/FAQ

- Developed a content and FAQ site for a parish youth ministry group on Next.js (App Router) with TypeScript.
- Used Firebase (Firestore and Authentication, with the Admin SDK for server-side operations) for data storage and user access control, deployed on Vercel.

L3GO Coffee - Coffee Shop Website | React, TailwindCSS

Live: legocoffee.hwagfu.dev | UI/UX design, in collaboration with Jason Phan (data layer and deployment)

- Designed the UI/UX: colour system, typographic rhythm and a photo-led layout of the space.
- Designed a 68-item menu filtered by mood instead of category, so visitors choose faster.

LEADERSHIP AND EXTRACURRICULAR ACTIVITIES

Youth Activity Coordinator (Huynh Truong) - Local Community Youth Group, My Tho

- Led and coordinated weekly programs and events for a community youth group, scheduling activities, organizing volunteer teams and managing timetables.
- Designed and built the group's official website (see Chanh Toa FAQ project above) to support its activities and outreach.
